

## **E- TOURIST VISA**

***As on 18 May 2016***

The Government of the Republic of India offers E-Tourist Visa (E-TV) for nationals of Argentina, Paraguay and Uruguay whose sole objective of visiting India is recreation, sightseeing and a casual visit to meet friends or relatives.

In order to apply for the E-TV, you need to click on this link and apply online:

### **Procedure for E-TV:**

- Fill up the Visa Application Form on the above link. To complete the form, you will be asked to upload a digital picture (Passport type, clear background, and facing front) and a scanned image of the first page of your passport.
- After the Application Form is submitted, you would receive a Confirmation E-Mail stating that the visa has been approved.
- You will be able to travel with a copy of this Confirmation E-Mail.
- After arriving at the airport of entry in India you need to go to the E-Tourist Visa Counter at the Immigration and finish the visa procedure there.
- You are also required to carry a valid International Yellow Fever Certificate with you. Please note that in spite of having valid E-Tourist Visa, you may be denied entry by Indian Health Authorities if you are not carrying a valid Yellow Fever Certificate.

### **Following conditions apply to the E-Tourist Visa:**

- E-TV is free of cost for nationals of Argentina and Uruguay. For Paraguayan nationals, it costs US Dollar 48.
- The validity of the visa will be 30 days from the date of arrival in India.
- E-TV once issued on arrival is valid only for a single-entry.
- Applicants may apply online minimum 4 days in advance of the date of arrival in India and up to 30 days before the trip.
- You can apply for E-TV only twice a year.
